

January 20, 2018

We are pleased to inform you that the **Breast Center in the Oncology Center, Gdynia**, Poland, has successfully fulfilled the requirements of both the Senologic International Society/International School of Senology and the Polish Society for Breast Cancer Research, and is hereby granted Dual Certification as a Breast Center of Excellence.

The Accreditation is valid for a period of five years and is renewable thereafter, provided the Breast Center continues to fulfill all of the required conditions. Please note that an updated report should be submitted to us every year.
